CAREER OBJECTIVE

Software Engineer with 1.5+ years of experience in development, testing, and database optimization. Proficient in designing scalable systems, ensuring data integrity, and delivering high-quality solutions tailored to client requirements. Seeking to leverage my technical expertise and problem-solving skills in a dynamic software development environment.

TECHNICAL SKILLS

- ❖ **Backend & Database:** SQL, Database Design, Data Analytics
- ❖ **Programming Languages:** Java, JavaScript, JSON, Python (Basic), HTML, CSS
- ❖ **Tools & Platforms:** Eclipse, Visual Studio Code, Git, JIRA, SSMS, SSRS, Power BI
- ❖ **Data Visualization & Reporting:** MS Excel, Power BI, SSRS

PROFESSIONAL EXPERIENCE

Software Engineer – GlobalEduERP

Full-Time: October 2023 - Present

- Designed and managed JSON data structures to enable seamless integration between APIs and applications.
- Collaborated with cross-functional teams to create scalable and reliable database solutions.
- Automated reporting processes using SSRS, improving reporting efficiency by 30%.
- Optimized database queries and enhanced API performance, reducing latency by 20%.

Internship: April 2023 - October 2023

- Developed and optimized complex SQL queries, stored procedures, and triggers to improve database performance.
- Ensured data integrity across multiple systems by implementing rigorous testing protocols.

PROJECTS

University Management System (May 2024 - June 2024)

- Developed a comprehensive system to manage students, faculty, courses, and fees.
- Technologies: Java, Java Swing, SQL Databases.

Myntra Clone (Nov 2024 - Dec 2024)

- Designed and implemented dynamic front-end components for enhanced user experience and cross-device compatibility.
- Key Features: Product listing, search functionality, and cart management.
- Technologies: JavaScript, HTML, CSS.
- Reduced page load times by 15% through optimized front-end coding practices.

EDUCATION

Pursuing Master's in Computer Applications | GLA University, Mathura (2024 – 2026)

Bachelor's in Computer Applications | Dr. MPS Group of Institutions, Agra (2021 - 2024) | CGPA: 7.94

Intermediate (CBSE) | Bhartiya Vidya Mandir School, Agra (2020 - 2021) | Percentage: 85%

Matriculation (CBSE) | Bhartiya Vidya Mandir School, Agra (2018 - 2019) | Percentage: 91.4%

INTERPERSONAL SKILLS

- Team Leadership and Collaboration
- Decision Making and Management
- Effective Communication

CERTIFICATIONS

Simplilearn: Python for Beginners, Data Structures and Algorithms, Introduction to Data Analytics

HackerRank: Software Engineer, SQL (Basics)

EXTRACURRICULAR ACTIVITIES

- Participated in Webathons and Hackathons, showcasing innovative problem-solving approaches and teamwork
